Dear Parents

Polling Day

Don't forget that school is closed to pupils on Thursday 2nd May for the local elections to take place.

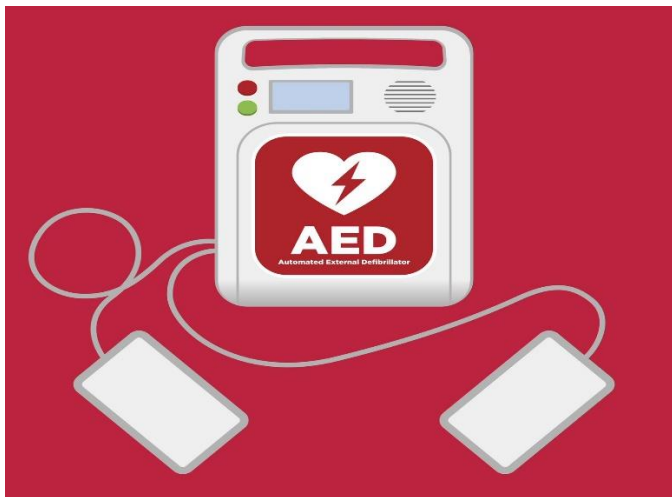

Year R Hearing & Vision Screening

Please remember that you must opt out of the Year R vision and hearing screening if you **do not** wish your child to be seen by the School Nursing Team on Wednesday 8th May. You can do so by clicking on the link below or by visiting the MCH website where you will also find lots of further information on this and other services that they offer.

Defibrillator

Did you know that we have a defibrillator in school? However rare it may be, having access to a defibrillator drastically increases the chance of pupils, teachers and visitors surviving a cardiac arrest, should the worst happen.

SchoolGambia

We have now received all of the money raised from our sponsored skip/jump last term. We are delighted to tell you that £1,710.05 was collected and this amount has now been sent to SchoolGambia. This money will be used by our partner school in The Gambia to help them provide things such as books, pens and uniforms for the children as well as helping maintain their school building. Thank you so much to everyone who helped us raise this amazing sum

of money by sponsoring the children to skip or jump.

THANK you
so much

Medway Child Health Parent and Carer Workshop Survey

Medway's Child Health Team would like to hear from Medway parents and carers to know your thoughts on their workshops and to find out which topics would be most useful and when would be the most convenient time for them to be delivered. The aim of their parent workshop programme is to provide skills for parents and carers to navigate modern life challenges such as social media, mental health, and wellbeing, while exploring strategies that can contribute to the health and wellbeing of children, with a focus on family support.

Those completing the survey will have the option to enter a prize draw for one of two Amazon vouchers (£50 and £100).
